DELEGATION ORDER

I, Joseph A. Giddis, as Director of the Office of State Procurement, do hereby authorize all state agencies, under the direction and general supervision of this office, to make and enter into contracts for the purchase of antifreeze.

The use of a state wide contract is deemed not practicable due to the lack of response by bidders caused by frequent price fluctuations.

Agencies purchasing antifreeze will use the procedures outlined in the procurement law and regulations appropriate for the total cost of the purchase order.

This delegation order is in effect until June 30, 2007.

This order is not intended to prohibit a state agency from requesting the assistance of the Office of State Procurement in the procurement process.
